Spend a day in paradise without having to leave Los Angeles. Enjoy two yoga classes (a 2 hour flow in the mid-morning and a late afternoon class), saltwater pool and jacuzzi with an infrared sauna, al fresco organic vegetarian lunch, ample sun lounging and an optional 30 minute or 1 hour massage.

The day in paradise will take place at a spectacular Brentwood home. Private, lush and appointed with every amenity. A true architectural gem with a recently built yurt that defies description. The home has three different lounging areas, an outdoor dining table for 14 and is nestled in a quiet and serene neighborhood.
